

I spoke to him on the phone ten minutes ago
The art galery is closed on Mondays
Take your umbrella. I think it's going to rain
We aren't going to have a holiday this summer
You speak very fast. Can you speak more slowly, please?
I can't sing, but I can play the guitar.
There isn't any milk in the fridge.
Please be quiet. I'm working
Don't turn on the air conditioning. I'm cold.
Is your sister coming to the party?
What time does your train leave?
Why didn't Ann go to work?
Be quiet and listen to me!
What are these? They are my glasses.
They aren't students. They are actors.
My photo is on my identity card.
Our English class in on Tuesday.
